

INFERENCE

Document C: "Jones would come back!"

Evaluate the evidence from the previous rounds. Determine the strongest piece of evidence from which you can build an inference to answer the question, "How Does Napoleon Stay in Charge?" Post your inference below. Be sure to keep similarly based inferences in a column together. While you are expected to collaborate as a group,

each member is responsible for
posting his/her own inference.
These results will be shared with the
group.

Based on document C we
can infer that Napoleon
uses propoganda by giving
misleading information
that the pigs need all of the
apples, and he uses fear by
mentioning the return of
jones.
