

# INFERENCE

## **Document D: "No better than a criminal"**

Evaluate the evidence from the previous rounds. Determine the strongest piece of evidence from which you can build an inference to answer the question, "How Does Napoleon Stay in Charge?" Post your inference below. Be sure to keep similarly based inferences in a column together. While you are expected to collaborate as a group,

each member is responsible for  
posting his/her own inference.  
These results will be shared with the  
group.
